Working Together to Keep Kentucky Women Healthy

A live webinar about partnerships among local resources that support women in Kentucky

Register now for a live webinar hosted by the Kentucky Cancer Program (KCP) and the Kentucky Women's Cancer Screening Program (KWCSP). This webinar will educate local healthcare and community organizations about KWCSP, what the program offers, who is eligible, and where to participate. The webinar will also explain how KCP works with KWCSP to promote the program locally.

The webinar will be hosted on two different dates. Register for the date that works best for you.
