

JOIN US FOR THE

PREDIABETES LEARNING COLLABORATIVE

Let's work together to improve outcomes for people living with, or at risk for, prediabetes.

PREVENTION IS KEY

The Prediabetes Learning Collaborative (PLC) is a partnership between primary care practices and National Diabetes Prevention Program (NDPP) providers, working together to educate patients on diabetes prevention and improve screening, diagnosis, and prevention processes.

- SMALL TESTS OF CHANGE CYCLES
- MONTHLY WEBINARS AND TECHNICAL ASSISTANCE
- QUARTERLY LEARNING SESSIONS
- QUARTERLY PRACTICE PAYMENTS

QUALITY IMPROVEMENT

Are you interested in preventing Type 2 diabetes in your community of practice? join us for a 6 month pilot (July 1, 2022-Dec 31, 2022), followed by a full collaborative session (Jan 1, 2023-Dec 31, 2023).

- SCREENING AND DIAGNOSIS
- BIDIRECTIONAL REFERRAL/ COMMUNICATION PROCESSES
- NATIONAL DIABETES PREVENTION PROGRAM EDUCATION (CDC)
- EVIDENCE BASED QUALITY IMPROVEMENT, USING IHI BTS COLLABORATIVE MODEL
