

2019 eHealth Summit Registration

August 16, 2019 | Marriott Griffin Gate Lexington, KY

The Kentucky Health Information Exchange (KHIE) invites you to attend the 2019 eHealth Summit on August 16th.

Join us on August 15th at 5:30 pm to celebrate KHIE's launch of the new HIE Platform!

Admission is included with registration.

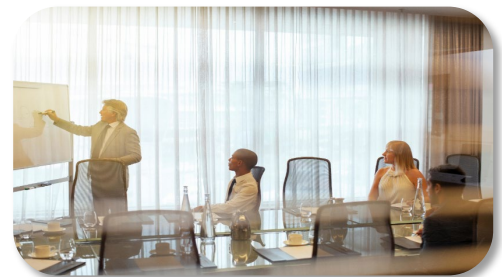

How does KHIE play a role in improving the health of Kentucky's citizens?

Join us for these discussions:

- How does KHIE promote health information exchange at both the regional & national level?
- Can you leverage KHIE and other expert resources to meet Promoting Interoperability & QPP objectives and measures?
- How does KHIE support the Cabinet's efforts in battling the Opioid & Substance Abuse Epidemic?

Be among the first to view highlights of the enhanced technology

Network with KY healthcare leadership

Ready to learn, meet, and network?
